

Agenda for the Event in Serbia

Location: Sremska Mitrovica, Serbia

Timing: Wednesday, August 25th, 2021 to Friday, August 27th, 2021

Number of estimated participants:

- **Main event** (from the afternoon of August 25th to August 27th): Minimum of 52 participants; maximum of 76 participants

*For both days, at least 30% of the participants should be international/invited participants

Methods of implementation:

- The main event will be implemented via a hybrid model. Physical spaces will be organized in Sremska Mitrovica that meet the COVID-19 guidelines in the City of Sremska Mitrovica. Other participants will participate in the event via teleconferencing technologies (Zoom, Skype or equivalent).
- Further methods will be adopted based on the epidemiologic situation in Sremska Mitrovica
- The main language will be English due to these events being international in character

Location: City Hall of the City of Sremska Mitrovica, Svetog Dimitrija street, no. 13

Number of participants: 52-76 participants (partner representatives, other invited participants + other stakeholders from the City of Sremska Mitrovica)

Purpose: Over the three day period, the event will focus on the following themes: 1) accessing education during COVID19 and the room for volunteers; 2) intergenerational solidarity in times of COVID19 3) innovations contributing to COVID19 resilience. The activities include the opening presentations, workshops and discussions on volunteer engagement in all spheres of life, especially education and intergenerational solidarity, demonstrations etc.
